

Discover a world of incredible organic herbs

Feel Alive

We've called this family of teas 'Feel Alive' because that's what they do. Using only the finest organic herbs, the incredible power of nature can help you get the most from life. From specific occasions to helping your body balance, these are teas that show the power of incredible organic herbs in all their glory.

Taste Alive

We've called this family of teas 'Taste Alive' because their incredible flavours will bring a unique vibrancy to your day. Using only the finest organic herbs, these teas show Sebastian's blends at their most exuberant. From exotic to delicate and from warming to soothing these are teas that show the true colourful deliciousness of Pukka.

Super Fruity

Our name for a family that aptly describes the teas in it. Jam-packed with fruit, they are a carnival of colour and flavour to leave every palate lifted by their taste sensation. Slow-dried fruits to capture their intense deliciousness for a deeper, more colourful taste.

Green Revolution

A family of teas to usher in a green revolution. Green teas that combine the incredible power of the finest organic whole leaf green tea with unique Pukka ingredients to create the perfect combination of flavour and functional benefits.

Speciality

Our 'Speciality' family are teas sourced from some of the world's most extraordinary places. Our vibrant whole leaf and Fairtrade speciality teas make every cup a unique occasion.
